Notes for Parents & Guardians

All participants under the age of 18 must have the Bristol Cycling Campaign (BCyC) parental consent form above signed by their parents. The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with their parents or guardian and are living as an independent adult. This needs to be proven by the supply of evidence such as a rent book or utility bill with the person's current address in their name or a National Students Union membership card.

The minimum age for unaccompanied children on this event is 13. There is no lower age limit if accompanied by a responsible adult acting in loco parentis, but a signed parental consent form is still needed. Children aged 13 to 17 may participate unaccompanied if they have parental permission and the parental consent form is signed. Parents or guardians must be aware that:

- the demands of this cycling event and that they alone make the decision about the ability of their child to complete the ride.
- the child may cycle with other adults and / or with children, but that there is also a likelihood of the child cycling on their own (for example with treasure hunt events).
- while BCyC extends a welcome to cyclists of all ages and abilities, no special provision for children is provided on this event.

Arrangements to get to and from the ride are the sole responsibility of the parent or guardian. Bristol Cycling Campaign, its members, agents and other participants may take photographs during the course of this event, mostly for private use but some may be for local or national publicity purposes. It may be difficult to ensure that photographs in which your child appears will not be used in any way.

If you have concerns about this please speak to the leader/organiser.
